Policy recommendations	(Policy) recommendations	EN	Policy makers	“[...] this document has the objective to inform policy makers and decision makers at all levels, from local to regional to trans-national, about key conclusions of the project. It is intended, among others, for government agencies and agencies at EU ministries. The purpose of the policy recommendations is to stimulate further development of and support for the ecological connectivity concept, as its implementation will result in enhanced effectiveness of programmes to conserve biodiversity both in cultural landscapes and in wilderness areas of the Alps, and the ecosystem services associated with it.” Policy recommendations , p.1
